Style #: C03 Ready for the cold! Tough 12-ounce, top quality cotton duck lined with nylon quilted arctic-weight polyester insulation. The collar is a handsome corduroy with under collar snaps to accommodate an optional hood. Plenty of room with two flapped outside chest pockets, two inside pockets, and two large outside pockets. On-the-job testing insures great wear resistance at triple-stitched main seams and all key areas. Split back with bi-swing and pleated elbows insures easy movement. Another example of smart Carhartt design!

Style #: B189 Add some style to your workwear with this loose fit jean! Made of durable, 13.5-ounce, 100% ring-spun cotton denim, this jean sits below the natural waist and has an updated, hand-sanded finish. It also has antique copper hardware; two larger, reinforced back pockets that are slightly angled for convenience; triple-needle-stitched seams; and a 20-inch leg opening that fits easily over a work boot. By combining rugged, job-tested features with a comfortable fit and broken-in appearance, we've created a durable jean that looks good on and off the job site.

B189 Loose Fit Jeans \$64.98 LESS 20%

Style #: B160 Every jean Carhartt makes is proof of our dedication to tough, hard-working values. Take this relaxed fit straight leg jean: Relaxed means it provides a tad more room through the seat and thigh -- and has a waist that sits at the natural waist. Straight leg refers to its 17.5-inch leg opening -- plenty of room to fit over work boots! But on top of all that, this jean is made of heavy duty 15-ounce, 100% top quality denim with reinforced back pockets and stress point rivets. And then it's job-tested. In other words, it's more than just tough, it's Carhartt tough

B160 RELAXED FIT JEAN 49.98 LESS 20%

Style #: B175 One of our pants that is made of 8.5-ounce 100% high quality cotton canvas. With a waist that sits slightly lower than the natural waist. A seat and thigh that provides the extra room of a dungaree cut. Features a handy cell phone pockets, side pockets, reinforced back pockets, and 19-inch leg openings. And, of course, job-tested to insure real Carhartt durability.

B175 Lite Pants \$53.98 LESS 20%

Style #: B136 Heavyweight 12-ounce 100% high quality cotton duck with a dungaree fit to provide plenty of extra room through the seat and thigh. Cut to sit at the natural waist, this dungaree features plenty of utility and tool pockets plus a handy hammer loop. The front of the legs are a double-fronted chap-style with cleanout bottoms that accommodate knee pads. Leg openings are 19-inches wide to fit over any work boot. This dungaree comes in six colors to coordinate easily with a wide variety of other Carhartt workwear.

**B136 Double Front Pants \$69.98
LESS 20%**

Style #: CARB155 This 15-ounce 100% cotton denim jean is some of the heaviest, toughest denim you can find on the market. It's lined with a warm, black polyester fleece. The fit is relaxed, which means there's a little extra room in the seat and thigh. Back pockets are reinforced and front pockets are riveted. The leg openings are 17.5-inches to slip easily over work boots. All in all, this is one of our toughest denim work jeans. It would hard to find any denim that's more rugged and ready for wear than this. **LINED JEAN \$69.98 LESS 20%**

Style #: K87 A classic! Our 6.75-ounce, 100% cotton jersey knit t-shirt features a standard rib-knit crewneck and the convenience of a left chest pocket. Side-seamed construction guarantees less twisting and more comfort and ease of movement on the job. 100% cotton Left chest pocket Crewneck Our Ash color is made of 99% cotton and 1% polyester.

K87 Pocket T Shirt \$19.98 LESS 20%

Style #: B183 Here's a durable work short that really delivers on comfort. Made from 8.5-ounce, 100% ring-spun cotton canvas, it features side elastic at the waist for an exceptional fit. You also get plenty of storage space with two large side cargo pockets and two back welt pockets with flap closures. The short sits at the top of the knee with a 10-inch inseam. Wide belt loops add to its ruggedness, and it's been job-tested to ensure it will provide exceptional comfort and ease of movement.

B183 CARGO SHORTS \$49.98 LESS 20%

Style #: K222 Like every Carhartt thermal underwear product, we've designed this crew neck top for comfort, warmth and durability. Made of 100% polyester, it has anti-odor properties and Work-Dry® technology that wicks moisture away from your body. The fleece-lined interior traps body heat and keeps you warm while the smooth, anti-pill, jersey exterior allows for easy layering. Rib-knit cuffs keep cold air out, and all seams are flat-lock stitched for added strength. The tagless neck label provides additional comfort. We've left no details out of this heavyweight workwear staple.

K222 Thermal Undershirt \$59.00 LESS 20%

Style #: K223 No matter how cold it gets, you can work hard while staying warm with this new heavyweight thermal bottom. Made of 100% polyester, this job-tested, performance thermal has anti-odor properties and Work-Dry® technology that draws moisture away from the body to keep you comfortable. The fabric is fleeced on the inside to trap body heat while the rib-knit cuffs lock out cold air. The durable elastic waist provides ease of movement and the smooth jersey exterior allows for easy layering for even greater warmth. As a testament to genuine Carhartt ruggedness, all seams are flat-locked stitched for added durability, comfort and strength.
